## **ARCON FELICITATES WITH ARAYELA OVER APPOINTMENT**

The Architects Registration Council of Nigeria (ARCON), the regulatory body of practicing Architects in Nigeria, has felicitated with Professor Olatunde Arayela his recent appointment as the Deputy Vice-Chancellor, (Academic) of the University. In a letter jointly signed by the President, ARCON, Architect Umaru Aliyu, fnia and Acting Registrar, Architect Umar S. Murnai, fnia, the body attributed Arayela's appointment to hard work, professional competence, good deeds and contribution towards the development of Architecture in Nigeria.

The letter reads in parts "Your election as the Deputy Vice-Chancellor, (Academic) is in recognition and confirmation of your hard work, professional competence, good deeds, exemplary attitude to work and contribution towards the development of Architecture in Nigeria. We are exceedingly proud of your achievement and pray that God would guide and protect you, give you the strength and wisdom to face the challenges associated with your office."

The body also called on Professor Arayela to put his wealth of experience to bear on his functions and activities and contribute his quota to solving the challenges in the education sector and further boost the image of ARCON.
