ARCSSTE-E NEW CEO VISITS FUTA MANAGEMENT

The new Director/Chief Executive Officer of the African Regional Centre for Space Science and Technology Education – English, ARCSSTE-E, Dr. Ganiyu Agbaje has promised to further collaborate with the University in leveraging on opportunities in space related issues that will benefit both parties. He stated this while on a courtesy visit on the management of the University. Agbaje who was received by the Vice-Chancellor, Professor Adebisi Daramola said “I believe in leveraging on capacity building programme through the collaboration FUTA has with ARCSSTE-E. It is the only specialized programme in the whole of Africa. This programme has placed and will continue to positively position Nigeria globally in space matters. I know FUTA has been doing it before my arrival and I want to maintain, improve and sustain the relationship”. Dr. Agbaje also reiterated ARCSSTE-E’s continued belief and trust in FUTA to proffer solution to the nation’s enormous challenges.

Responding, the Vice-Chancellor, Professor Adebisi Daramola urged the new Director to see the position as that of enormous responsibility and said there is no limit to success with good people in place. Daramola expressed optimism that the good working relationship between ARCSSTE-E and FUTA through the leaders in the University’s Centre for Space Research and Applications (CESRA) and those of ARCSSTE-E would further be strengthened.

The Agbaje led team comprised Dr. O. R. Oladosu, Head, Postgraduate programmes and Mr. Ebeiyamba Okon of ICT, ARCSSTE-E.
