FUTA STUDENTS WIN MEDALS AT NATIONAL MATHEMATICAL CONTEST

The winning strides continue at the Federal University of Technology, Akure as its contingent to the National Mathematical competition which recently held in Abuja won four medals (one silver and three bronze). Presenting the award to the Vice-Chancellor, Professor Adebisi Daramola, the Head, Department of Mathematical Sciences, Dr. Olusegun Olotu said the competition which is an annual event is aimed at bringing out the best in the students and institutions where Mathematics is offered so as to keep abreast of modern trends in the field.

Receiving the team, the Vice-Chancellor praised the effort of the team for winning medals. "I am proud FUTA has done it again. You are the Chike Obis of our time. You have proven to the world again that our institution is great. I commend you for making this institution proud. You have done well by bringing medals home. You did not just go and return as observers. I am sure you will do better next time. National competition is not easy, especially in a field like Mathematics. Do not relent so that you can win gold next time. On the part of management we will continue to support you" Daramola said. The contingent that did the University proud includes: Dr. O. Olotu, Head of Department, Dr. T.O. Awodola and Mr. A.S. Afolabi, Team Leaders while the medalist include Adenipekun Olatunde, Obideyi Boluwaji, Adara Emmanuel and Afolabi Opeyemi.
