FUTA TO HOST PTDF TECHNOLOGY KNOWLEDGE SHARING PROGRAMME

The Federal University of Technology, Akure is set to host a one-day Technology Knowledge Sharing Program (TKSP), an initiative of the Petroleum Technology Development Fund (PTDF) with the theme “**Geology and Mineral Deposits in the Nigerian Flank of the Chad Basin: Implication for Hydrocarbon Potential for Sustainable Development**”.

The programme, which would have experts in the field delivering papers on related key issues, is slated to hold on Thursday, 13th June, 2013 between 9.00 a.m. and 4.00 p.m. in the University’s CCE Hilltop Auditorium.
