GIVE THANKS TO GOD, AGAPE FOUNDER TELLS FUTA STAFF AND STUDENTS

To further appreciate God for his mercies, the Management, Staff and Students of the Federal University of Technology, Akure came together recently for a thanksgiving service. Guest preacher, Felix Adejumo, the Founder of Agape Christian Ministry, Akure, urged them to always thank God and worship Him. The Agape Minister who titled his sermon "Praise and Worship Him Always" took his text from the book of Acts, Chapter 13:22-24.

He advised members of the University community to imbibe the spirit of thanking God with praise and urged them to be cheerful at all times as they extend the grace of God in their lives to the other generation. In his remarks, the Vice-Chancellor, FUTA, Prof Adebisi Daramola assured members of staff that more good things would happen in the remaining part of the year. "In 2013 we recorded many major milestones in our declared mission to take FUTA to the market place. We repositioned our University and our leadership position as the country's foremost University of Technology was not in doubt" Daramola stated. Professor Daramola thanked the minister of God, FUTA Mass Choir and commended them for adding value to the event. He also lauded the staff for their peaceful conduct, patience and tolerance in the first half of the year, while soliciting their dedication and cooperation at all times to further enhance the status of the University.
