SPORTING ACTIVITIES BUILD HEALTHY MINDS - DARAMOLA

Away from the rigour of class work students of the Federal University of Technology, Akure Staff Secondary School trooped out to participate in the School's 13th Inter house Sports competition which was held at the University's Sports Centre. Declaring the event open, the Vice-Chancellor, Professor Adebisi Daramola said sporting events enhance healthy bodies which in turn give rise to healthy minds. He encouraged the students to develop and maintain interest in activities that will better their lot.

The Vice-Chancellor who was represented by Mrs. Zenebu Falaye, Deputy Librarian at the University Library congratulated the staff on the noticeable improvements in this year sporting events.

The Chairman, Management Board of FUTA Secondary School, Professor Oyedapo Fagbenro while donating a Trophy to the School promised to improve sporting facilities. He thanked the Management of Wema Bank Nigeria Plc for donating additional Trophy to the School. In his remark, the Principal of the School, Mr. Anthony Ikuyiminu thanked the Vice-Chancellor for his unfailing efforts and support for the School, adding that this has added positively to the image of the School both within and outside. He also thanked the current Chairman of the School Management Board, Professor Oyedapo Fagbenro for his valuable principle of growth, development and progress which has affected the lives of the staff and students positively.

The event kicked off with a match pass showcasing talents from yellow, green, blue and purple houses with yellow house topping the list. Thereafter the students took part in various track and field competitions with some of them putting up superlative performances to the admiration of parents, staff, students and invited guests. At the end of the event, Yellow house topped the table, with Purple house coming 2nd, Blue came 3rd and Green 4th. Oyemekun Grammar School, Akure emerged winner amidst the eight boys Schools while C. A. C. United Secondary School, Akure came first in the girls category of the school invitation relay race which rounded off the 2016 edition of the Annual Inter House Sports competition.
